Welcome Message from the President

Netball Singapore is pleased to present this Annual Report to our members for the year 1st April 2021 to 31st March 2022.

2021 finally saw some easing of the Covid restrictions, which allowed some sporting activities. However, there were stops and starts as Singapore adapted to the changing situation and we were unable to run any events in the year. All school games and age group programmes were cancelled for yet another year.

Netball Singapore adopted a new constitution on 17th June 2021, as prescribed by Sport Singapore. This was approved at an Extraordinary General Meeting, and it was subsequently approved by the Registrar of Societies. The meeting had to be held electronically over the internet due to the safety measures in place.

The Netball Super League 2021 had to be cancelled. However, we were only 1 of 2 NSAs given approval to run a full-scale event in 2022 - the Netball Super League – under strict safety rules. This was successfully completed in the first quarter of 2022. All games were live streamed as no spectators were allowed.

We again had to cancel the Nations Cup in 2021 for safety reasons. The Asian Indoor and Martial Arts Games which were to be held in December 2021 was postponed to November 2023.

From May 2022 we have seen the full resumption of all sporting activities, and all our events have been fully subscribed. The National School Games and the age group programmes were also started in May 2022.

Singapore will be hosting the Asian Netball Championships in September 2022 and the Nations Cup in December 2022.

Jessica Tan

Highlights of the Year (FY 2021/22)

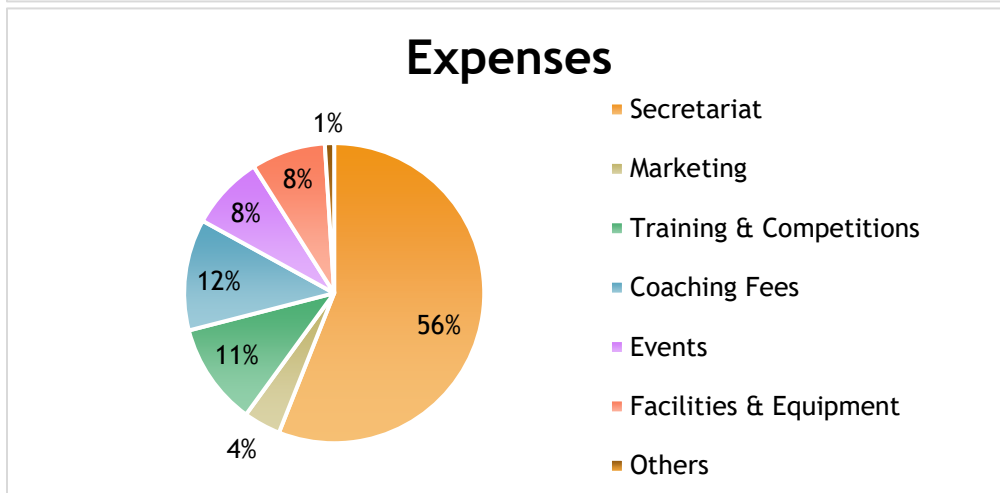

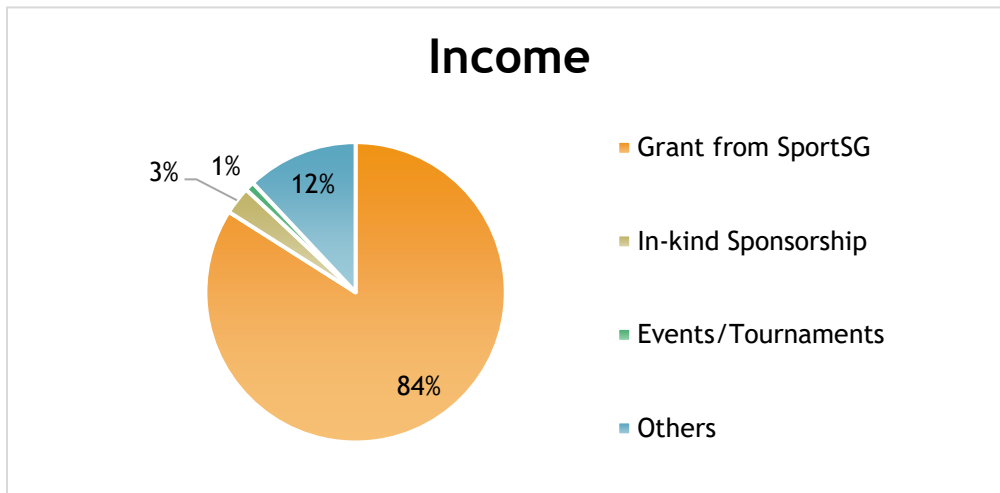

Summary Financial Performance

Total Income: \$1,512,182

Total Expenditure: \$1,411,678

Donations decreased by \$19,410 in the financial year, mainly due to the loss of major sponsor.

Expenses increased by \$82,556 in the financial year is mainly due to the resumption of tours and events in view of the easing of safe management measures.

Major Financial Transactions

There were no major purchases in 2021/22.

Significant Milestones

The Covid situation continued to affect all sporting activities in 2021/22. The only competition we could organise in the year was the Deloitte Netball Super League from January to March 2022. All other competitions and programmes were cancelled.

The national team was given dispensation to continue full team trainings in 2021, under strict safety guidelines.

The Deloitte Netball Super League was the highlight of an otherwise difficult year. The Youth Development scheme for the 6 elite clubs continued to progress well, with over 30 players who were 21&U in the NSL. This has allowed to grow a strong feeder programme into our 21&U, Development and Opens squads.

Netball Singapore had to adopt in new constitution as required by Sport SG. The main changes to the constitution were:

- 1) The maximum continuous tenure for Board Members was reduced to 8 years from 12 years.
- 2) Board members will be elected for a 4-year term, instead of 2 years. Elections will be held every 2 years so that the Board positions are staggered – about half elected every 2 years.

Netball Singapore has been doing its part to give back to society. We have been running netball classes for the Northlight School for about 3 years now. In 2021, we started weekly classes for Pertapis during school term and twice weekly during the holidays. We also started weekly classes for the St. Andrew's Autism School in 2021. Northlight and Pertapis took part in our Pesta Sukan this year, the latter for the first time.

Our Work: Programmes and Activities

HIGH PERFORMANCE

At the elite level, Netball Singapore maintains the following squads:

- National Opens
- Singapore A (New)
- National 21 & Under
- 19 & Under (Schools) and 19& Under (Tertiary)
- 17 & Under Zone Squads (North, South, East and West) leading to the National 17&U Team
- 14 & Under Zone Squads (North, South, East and West) leading to the National 14&U Team
- 12&Under Zone Squads – this was a new age group in the year.

The 19 & Under (Schools), 17 & Under and 14 & Under Zone and National squads are run in close collaboration with the Physical Sport and Outdoor Exercise Branch (PSOEB) of the MOE.

The Singapore A squad was combined with the 21& Under squad in early 2022 to form the National Development Squad, as there was a great degree of overlap of players.

a) **National Opens Squad**

A squad of 20 players were selected from the NSL held January - March 2022, of which 3 players were 21 & U.

Due to some easing of restrictions and through strict guidelines backed by support from SportSG and MOH enabled us opportunities to resume full court trainings from early 2021, along with strength and conditioning sessions.

In March 2022 an invitation was extended to Netball Singapore to compete in the PacificAus Sports Netball Challenge against the PacificAus partners (Fiji, Papua New Guinea, Samoa and Tonga). A team of 12 plus 2 travelling reserves was selected for the Sydney Challenge but before departing 3 players tested positive with Covid. Which resulted in the 2 travelling reserves plus a further Opens squad member named in the team. Singapore finished 5th, however the international exposure and experience gained especially for the younger players has been valuable for their development as we prepare for the Asian Championships, September 2022.

Two further tours to Fiji (mid-June) and Perth (beginning of August) were used as preparation, as well as for the final selection of the Asian Champs team.

Opens squad member Cheyenne Howard has selected to be attached to Capital Spirit team in Canberra. Coached by former NS National Coach Kate Carpenter the team plays in the NSW Premier League which will run from April to July 2022.

b) National A Squad

The role of the Singapore A Team is to provide a stronger feeder of potential players to the Opens Team by reducing the gap between the starting 7 Opens players and

- Opens national team players who do not get much court time.
- Opens squad players not in the final national team of 12 players.
- Opens players coming back from injury.
- Players in the 21&U and 19&U teams
- Players must be 23&U to qualify for the A Team – except if they are coming back from injury, or in special cases as decided by the national coach.
- Players will be selected for their potential to be Opens Team players between 1 and 3 years in the future.

The squad of 11 consisted of players selected from NSL held January - March 2022, of which 5 players were 21 & U. A 21&U trial was held soon after and a further 5 players were selected.

As per MOH and Government guidelines the squad resumed court trainings, along with strength and conditionings twice a week.

A Singapore A team will be selected to compete in the 2022 Nations Cup in early December, with a tour planned in October in preparation.

c) National 21&U Squad

The Netball World Youth Cup which was to be held December 2021 in Fiji was cancelled. NWYC made the decision after taking into account all considerations for the safety and well-being of attending countries and the Fijian population due to the pandemic still worldwide.

To ensure the continual development and building towards the 2023 Asian Youth Championships trials were held in March to select a further 5 players to train in with the A squad. Further trials to increase the 21&u squad will be held later in the year with a team of 12 players selected for a tour to Canberra in early August 2022.

National Age Group Squads

The move to 4 Zone teams in 2016, from 1 National team, for the 14&U and 17&U squads continued to be successful, attracting many new players that would not otherwise have come forward.

A new 12&U zone programme was started in 2022, to bring in young potential players for the future.

d) 19 & Under Tertiary & Schools

A squad of 14 players were selected in April for both Tertiary & Schools with a 13-week training plan, which included a mini carnival to end the season. However, trainings were suspended for two months due to tightening of safety measures. Trainings resumed in early July with 5 per group, however due to further reduction from 5 pax to 2pax both teams were disbanded for 2021.

The combined National 19s team took part in the Jeonju International Netball Event in August 2022 against teams from Korea, Philippines and Nepal. We emerged as Champions of this event.

e) **17 & Under Zone Age Groups**

Due to the group size restrictions (5 Pax) no selection trial was held in July 2021, instead the selection was replaced with zone training for all players that registered for trials. Unfortunately, after one training all 17&U zone groups were disbanded due to size groups reduced further to 2 pax per court. The 17s zone squads started again in earnest in 2022.

f) **14 & U Zone Age Groups**

Still holding the same concept of the 4 zones, the 14&U were formed in March 2021. They underwent 12 weeks of trainings and taking part in a mini carnival to end the season. Due to Covid-19 situation, the amount of sign up is lower than before. However, after 8 trainings the 14&U Zone Squad trainings were also disbanded due to restrictions.

Appendix A lists all National Team members and Age Group players.

TECHNICAL DEVELOPMENT

a) **Coach Development**

Extended lockdowns and restrictions still provided challenges throughout the year to hold courses. However due to the adaptations made to enable online learning and the ability to work with the restrictions for court work the following courses and workshops were held.

- Two Foundation Coaching Courses with a total of 27 participants.
- Two Level 1 Coaching Course with a total of 21 participants.
- One overseas (Philippines) Foundation Coaching Course with a total of 19 participants.
- One Strengthening netball skill workshop with a total of 14 participants.

The Level One Coaching Course now includes an online platform named SportSG-ED which participants are given about 3-4 weeks to complete six SG Coach Theory e-learning modules and seven Foundational Sport Science modules. The online platform also consists of two theory tests which is the new requirement for participants to pass. Once participants have completed the course and fulfil the needed requirement, they can apply full NROC membership without an issue.

b) **Bench Officials Appointments**

18 Bench Officials were appointed to officiate in the NSL 2022.

c) **Bench Officials Appointments**

A 2-day bench course was held on the December 2021. As covid measures were still in place the sessions were split between theory via zoom and practical at Netball Singapore. Up to 5 Netball Singapore staff attended the bench course as refresher or first timer. All participants were required to officiate at least two games during NSL as a practice.

d) **Overseas Visiting Teams**

Due to Covid-19, no overseas team came on tour.

e) **Schools Programmes**

ACTive School Programme and ACTive Carnivals

Due to Covid-19 measures, both ACTive School Programmes and ACTive Carnivals were affected. As ACTive School Programme can't be conducted, the programme was revamped instead to make it more engaging for students.

Appendix A lists all National Team members and Age Group players.

MARKETING

Netball Singapore's key sponsors for 2021/22 were Deloitte, ASICS, Pacific Sports (Molten), Panyasingha (FBT) and Babilou Family Group.

As we could not run any events, nor age group programmes in 2021, we extended other sponsorship entitlements to Deloitte – branding of the National Development squad as well as title sponsor of the Deloitte Netball Super League.

As part of our continuous CSR efforts together with Babilou Family Group, netball classes were brought to Pertapis Centre for Women & Girls.

Netball Singapore's aim is to ensure that all costs and products required for our events and programmes are covered by sponsorships and funding by Sport Singapore.

a) **Advertising Programmes**

The only event held in 2021 was the 3v3 National League which concluded in April. Thereafter, due to the COVID-19 situation, events were all on hold, but our social media pages were kept active. Events could finally be resumed in January 2022. With the return of our elite league, the Deloitte Netball Super League, several digital campaigns were rolled out.

The campaigns, include:

- Highlight videos
- Live Streaming of all games
- Social media advertising
- Live chat show on Facebook

The national team remains the focus of our campaigns and we have been featuring our national players actively on social media platforms, emphasizing on the return of their international tours and competitions. The team is the face of Netball Singapore, and we look to bridge the relationship between the players and fans, especially since it is a relatively young team, by highlighting these debutants.

While most of our posts' reach and engagements are organic, certain posts are boosted to obtain a wider reach. To further promote the sport and the national team, the players have also been involved in several engagement activities such as NDP, filming of a MediaCorp Chinese drama, a sports series with MP Poh Li San, as well as other initiatives as Team Singapore athletes.

b) **Community Outreach Programmes**

In partnership with Deloitte, we continued to support the CCA programme for Northlight School for the fifth year and continued to provide them with weekly trainings. The players have since taken part in events such as the Deloitte Pesta Sukan and the Zonal School Games.

NS continued to deliver the 10-week Junior School netball-based program designed to develop hand and eye coordination, as well as movement skills up until it was suspended due to restrictions. A 10 week plan including sets of videos (Level 1-3) was produced for the senior clients, which included a guide for teachers and helpers to run with classes.

Netball Singapore started netball classes for Pertapis in 2021. Initially only 20 students participated in the classes, but this soon grew to about 40 coaches. NS provides 2 coaches for them. We run 2 classes per week during the school holidays and 1 a week during school term.

c) **Public Relations and Broadcast**

Despite having almost no events, Netball Singapore still receives coverage in the press and media throughout the year. Based on the Deloitte Netball Super League alone, seven articles were published on The Straits Times. The national team was also featured on Channel News Asia, both online and on television.

FINANCE

A total of S\$243,593 was raised through Netball Singapore's own income sources. This sum consisted of sponsorship in-kind, Jobs Support Scheme, income from local tournaments and events, fees from courses and membership.

In summary, the ratio of the funds raised by Netball Singapore S\$243,593 to the Sport Singapore grant FY 2021/22 of S\$1,268,589 was S\$0.19 to \$1 of the Sport Singapore grant. (In FY 2020/21 it was S\$0.27 due to higher activity level in FY 2021/2022).

The Year Ahead

Charity's Future Plans

2022 marks the 60th year of netball's establishment in Singapore in 1962 by Mrs. Tan Yoon Yin, our first President. Netball Singapore is planning an anniversary event in November 2022 to celebrate this landmark.

From April/May 2022, full activities started resuming again after 2 years of restrictions due to Covid19. Our major events in 2022 to date have been fully subscribed.

Singapore will be hosting the Asian Netball Championships in September 2022, with 11 countries competing. The top 2 qualify for the Netball World Cup 2023 in Cape Town, South Africa. The top 8 nations will qualify for the Asian Indoor and Martial Arts Games in Bangkok in November 2023.

Singapore will host the Nations Cup again in December 2022 after a 3-year break. The event was cancelled in 2020 and 2021. As part of our elite development, the Singapore A Team will make up the 6th team in the competition. As all their games will be non-ranking, we will have the opportunity to expose our A Badge umpires to international competition, and hopefully to qualify them as Talent Identified for the International Umpiring Award (ITID).

The Deloitte Netball Super League (NSL) 2023 will hopefully see a Singapore NSL featuring our 6 elite teams, and an International NSL featuring the national teams of Thailand and Brunei, as well as 6 international players from Fiji, one for each Singapore team.

Netball Singapore will continue to focus on Elite Development (Opens and all age Groups), Technical Development in coaching and umpiring, Club and Schools growth and development, providing more opportunities for competitive mass participation, growing our Fan Base and bringing exciting netball to Singapore.

Charity's Commitments

Netball Singapore will continue to focus on its key priorities of promoting and growing the sport in Singapore and to providing an affordable and all-inclusive sport to be enjoyed by all.

IPC's Fund-Raising Plans

Netball Singapore continues to engage potential sponsors for our sport and to continue to refresh our events to attract more teams to participate. We run 7 events in a normal year, and host the Nations Cup each normal year, which is a ticketed event.

IPC's Expenditure Plans

Netball Singapore has no major expenditure plans for 2021. We will continue to run our events and courses, maintain all our age groups from the 14&U Zone teams to the National team (Covid19 dependent), and continue to upgrade our coaches, umpires and bench officials by bringing in top world-class presenters to run courses.

Secretariat

Netball Singapore continues to be the secretariat of the Asian Netball Federation, and the main resource centre for Asia (excluding Australia).
